

# Worship Internship

## *Program and Job Description*

The Worship Internship Program exists to equip worship team members with skills as a worship team disciple maker, authenticity as a worshipper, and tools to train and prepare volunteer worship members to participate on a worship team. The program exists for personal growth and development in worship arts, leadership ability, experience building with an emphasis on a discipleship mentoring and culture within the worship ministry.

### **Intern Criteria**

We are looking for candidates with character, passion, and ability who feel a desire for gaining ministry and leadership experience. This program is for those who feel passionate about worshipping God through music and wanting to help others in the same pursuit.

### **Job Description**

While each intern's job description will vary slightly depending on their skills and areas of interest, these are the general responsibilities they will fulfill:

- Support the vision of the worship director and youth pastor for worship ministry
- Facilitate a growing culture of encouragement and passion in worship ministry
- Help build a pool of songs that are appropriate for the youth ministry and its vision
- Ensure youth and weekend teams are fully staffed and equipped to serve
- Recruit for youth worship teams
- Mentor and train key youth student worship team members at their campus
- Plan services, manage band schedule and volunteer involvement at their campus
- Choose and send out the keys and arrangements for each song for youth band
- Lead worship and/or play in youth band and weekend band as needed
- Lead worship team in an effective and timely rehearsal prior to leading worship
- Serve as a contact person after weekend service ends to recruit for weekend teams
- Learn the sound board and the media software to effectively run and operate for a service

### **Trainings and Expectations**

- Complete a Worship Internship application
- Adhere to the worship team [Lifestyle Guidelines](#), [Responsibilities and Expectations](#), and [Dress Code](#)
- Complete [Worship Internship](#) training series
- Participate regularly in a monthly intern meeting
- Attend worship intern events, retreats, and/or conference(s) for growth and development.
- Invest 5 - 10 hours in the internship per week, depending on role
- Complete all communication and projects in a timely manner
- Fulfill commitments faithfully and find sub replacements as needed

### **Internship Benefits**

- Great resume building skills for scholarships, school applications or jobs
- Grow your gifts in exciting ways
- Build lifelong friendships and memories
- Play an important role impacting your community and state through worship arts
