

Worship Internship

Reading Journal Template

Template Overview

Use this template to answer the "Reading Journal" questions for each topic lesson in the worship internship. You will only need to fill out the book reflections for the level of internship you are pursuing (books you are reading). You can print as many of these sheets as you'd like to create your own working notebook of journal entries or use it as a template to make your own. Also check out the "Discussion Topics Journal" template for how to record your "Discussion Topics Journal" reflections for the internship.
